- The above rates are for a general view and based on translations in general business content.
- Please request an official proposal for your specific projects.
- Please request quote for other languages.
- Please request quote for other services (voice-over, interpreting, etc.)
- Project accounts are created over word count in the source document.
- Standard rates include proofreading of an independent specialist.
- Daily delivery capacity is 4.000 fully translated words.
- Projects outside of regular office hours are charged extra %20.

- Certified translations are charged extra %20.
- Discounts are applied to high volumes (over 20.000 words) or exclusive service agreements.
- %20 discount for continuous texts (help documents, user guides, manuals, technical materials).
- Please request quote over an existing translation memory.
